Enjoy-A-Bowl® is the only all natural appetite stimulation bowl that uses your pet's gift of having an enhanced sense of smell to guide them into a healthier way of eating. Enjoy-A-Bowl's three part feeding system allows the pet owner to place human food in the bottom dish. When the aroma from the bottom dish aerates directly into your pet's veterinary approved diet located in the top dish, bone appetit! Enjoy-A-Bowl is effective for cats and dogs and is the only pet food bowl you will ever need!

Enjoy-A-Bowl Is For YOU:

-  Picky eater?
-  Routine Food boredom?
-  Only eating human food?
-  Not keen on the prescription diet?
-  Stressed while boarding ?
-  History of pancreatitis?
-  Sensative Stomach?
-  Overweight?
-  Diabetes an Issue?
-  Inappetence due to illness?
-  Plus Much More!

Recommended Foods

Heat For Desired Aromatic Stimulation

Recommended foods to be placed **ONLY** in the bottom dish for aroma stimulation:

-  Chicken (Roasted or Grilled) or Bones
-  Steak , Brisket, Ribs with bone, Hamburger
-  Ham
-  Gravy
-  Turkey/Luncheon Meat
-  Pizza
-  Meat Balls
-  Heated Canned Food
-  Sausage
-  Pasta with Red Sauce
-  Any and all left overs

Please note not all aromas will stimulate appetite for your pet. Your pet, like a human, is an individual that has individual likes and dislikes. Try multiple things to see what works.

CAUTION: DO NOT heat food/aroma in the Enjoy-A-Bowl.
